Secretary: Peter Coleby (tel. 01449 766985)

We are a small, friendly club with around 40 members (a few of whom are non-playing members). We have a number of internal club competitions throughout the season. We also have an annual barbeque as well as other fundraising events. Next to our green we have a clubhouse and licensed bar.

The club competes in the Ipswich League, the Stowmarket League and the Upper Waveney League on weekday evenings from April to August. There is also a Tuesday afternoon team that plays in the Stowmarket League.

We always welcome new applications for membership, especially ladies and those under twenty-five years old. If you are already a bowler or think you might like to try your hand at bowling please contact our secretary.
